

PREPARING FOR YOUR MINISTRY SESSION

Jesus was sent to set you free, heal your broken heart and life, and make you whole!

We are rejoicing that you are coming for prayer at Freedom House. Our desire is for you to be whole, therefore we minister in healing and deliverance of the whole person. Inner healing (healing of the soul: mind, will and emotions) is prayer ministry in the power of Holy Spirit, aimed at making people who are hurt and broken whole again. Love enables us to see truth and truth sets us free! His love heals your soul! Holy Spirit is our Wonderful Counsellor. He reveals, teaches, witnesses, intercedes, speaks, testifies, commands, convicts and guides during the prayer session. We endeavour to utilize all the gifts of Holy Spirit to their fullest, therefore we work in teams of 3 trained women and men, ministering the love of God, which heals emotional, spiritual, mental, social and physical wounds.

If you are a committed, sincere follower of Jesus, desire to serve Jesus, and you are facing a problem which is aggravating, tormenting, humiliating; or something that is holding you in bondage and preventing you from living a transformed life, most likely you need release (deliverance) from the influences of the enemy. Remember that the enemy comes to steal, kill and destroy. Jesus has come that you may have life and have it more abundantly. (Jn 10:10)

As you prepare for your ministry session allow God's love, truth and forgiveness to minister to your spirit, soul and physical body. Be open and teachable to the leading and work of Holy Spirit. Here are some steps to get ready for your appointment:

1. Be humble; Be honest; Be teachable.
2. Confess any known sin committed by yourself or by your ancestors. Repentance removes Satan's hold on your life. Ask Holy Spirit to show you areas of your life where Jesus is not Lord and ask Him to begin to do the work of bringing your will in line with His. (Submission prayer attached)
3. Seek the guidance of Holy Spirit to discern clearly how the lies you believe cause you to act the way you do.
4. Confess your faith in Christ Jesus as King and Lord. (Lordship prayer attached)
5. Try to list those people who have hurt you and whom you need to forgive.
6. Read the Word of God and journal how God is speaking to you; what is He saying.
7. Please, prayerfully complete the ministry application in as much detail as possible. We appreciate you sharing your testimony with us about how you met Jesus.

We are looking forward to meeting you, praying with you and rejoicing with you as you experience freedom and healing in Jesus!
